

Do you go to school locally?

**An exciting opportunity to name our new  
Cornish Pilot Gig.**

Swanage Sea Rowing Club would like you to name the new boat that is being built for us.

SSRC has a history of naming their gigs after local features from along our coast, such as Old Harry, Dancing Ledge and Peveril  
Can you think of a suitable name for the newest addition?

*Something romantic? Something strong?*

Why not have a look on local maps and try to find a name that you think would be just right. Perhaps you already have something in mind?
